

The [FEMA Letter of Final Determination](#) included a list of map changes (LOMA and LOMA-F) that have been approved previously, but were not incorporated into the new FEMA Flood Insurance Rate Maps. The list is organized by case numbers. Each case may include one or more properties. The location information may use a project name or legal description, instead of an address.

Below is a list of current addresses, sorted by street name, of the properties included in [FEMA's Letter of Final Determination](#). You may use this to help you find the case number associated with your property.
