

Proclamation observing “Military Appreciation Month”

Whereas, St. Louis Park recognizes and honors military service, both past and present, during the month of May; and

Whereas, Minnesota is home to nearly 290,000 veterans and many present service members; and

Whereas, military service members face unique challenges that create barriers to participating in civilian life and relationships, including mental health and employment; and

Whereas, the United States congress has proclaimed Military Appreciation Month every May since 1999 to recognize the contributions and sacrifices of military service and highlight resources available to service members through the U.S. department of veterans affairs and other government agencies; and

Whereas, St. Louis Park takes part in this national recognition and opportunity to show gratitude to the service of the military in supporting national safety,

Now therefore, let it be known that the mayor and city council of the City of St. Louis Park do hereby recognize May 2026, as “Military Appreciation Month” in our community.

Wherefore, I set my hand and cause the Great Seal of the City of St. Louis Park to be affixed this 4th day of May 2026.

Nadia Mohamed, mayor
